

Why I Use and Recommend Realbird.com

The RealBird Listing Publisher is an easy-to-use and powerful online, social media and mobile listing marketing platform **used by over 30,000 real estate agents and brokers** in the USA, Canada and the UK, publishing thousands of new listings every month. Enter your by owner listing on a simple form, upload all the photos at once and there you go: a stunning single property website, virtual tour, property widgets, Craigslist ads and other embed codes are created for you, and your listings are automatically syndicated to leading real estate portals as well. With the exceptional SEO and social media tools, you can turn your listings into an amazing online and mobile marketing platform quickly and easily.

Single Property Websites:

Create beautiful, dedicated websites for your home.

Listing Syndication:

Your listing published through RealBird are automatically syndicated to major real estate portals including Trulia, Zillow, Oodle, Yakaz, Trovit and others.

Virtual Tours:

Your RealBird property website is also available as a virtual tour. This improves your visibility, and engages more buyers.

Craigslist Postings:

Post your listing to Craigslist in just a few minutes with the handy RealBird ad generator tool. Select your design theme, set your options and follow the on screen instructions.
